

All in-stock Kreinik 25% off

Football season has now started up again, which means the Holidays will be here before we know it. Anybody else chewing through the Kreinik stash, *praying* you have enough of a particular color to finish a project?

I'm the first to agree the stuff isn't cheap. Although there's nothing that matches it for sparkle, those 10m spools do not cover nearly as much ground as we wish they would. From now until October 1st, here is the current price list.

Size 8: normally \$3 now \$2.25

Size 12: normally \$4 now \$3

Size 24: normally \$4.50, now \$3.40 (limited selection)

Ribbon:

Size 1/16: normally \$4.50, now \$3.40

Size 1/8: normally \$5, now \$3.75 – great for couching!

Kreinik's new Holographic line is also on sale!

I carry the 16 colors in sizes 8, 12, and 1/16 ribbon. All sizes normally \$3.50, now \$2.65

This is the ideal opportunity to replenish your stock of that glorious metallic thread you can't get enough of.

Complete color lists are available on the Kreinik Page (Click on "Our Threads")

You're welcome to e-mail me what you need. If I have it, I'll put it aside for you.
