A copy of this phenomenal reference book belongs in the library of every church Altar Guild! The crosses range from Western to Eastern Orthodox. The volume contains color photos, and a brief history of each cross, as well as a line drawing perfect for a Basketweave or cross-stitch pattern. Do you want to embroider on altar linens? Here's how!

Each three-inch cross is rendered in a different spectacular stitch. There are eyelets, Jessicas, Point de Tresses, and Smyrnas galore! This book is worth the price for the stitch glossary alone.
