## 2009 Halloween Hello

*First Class*

### Witches, Vampires, and Werewolves! Oh, MY!

*What a weekend!* Now that the NFL is back in session, the Holidays will be here before you know it. Where does the time go? Don't answer that. I can't possibly catch it.

Do you have a ghost, goblin, or gremlin in your life for whom you'd love to stitch a Halloween bag, but don't see how you can fit "one more project" into your stitching plan? Here's a solution! I have several adorable NeedleDeeva 3 x 3 Halloween squares that whip up super-quick (I flew through one over the weekend). *Voilà!* The perfect appliqué for a bag that'll delight your special little Someone!

I have a devil, two witches, Jack Pumpkinhead, (remember him from the *Wizard of OZ* novels?) a werewolf, and a vampire! Each canvas is **\$29.95**. I've put together complete **Presencia** thread kits for each one, specially priced at **\$8**. If you've never worked with this gorgeous line of threads from Valencia, this is a terrific opportunity to experience why it's world class.

I'll even throw in a cloth bag. If you have your completed canvas to me for finishing no later than October 15, I guarantee we'll have it back to you in time for Trick or Treating. If you need to ship it to your little angel, please get it in as quickly as possible. Stop in to meet them, and see what one of my ultra-creative buddies got up to recently when she decided she needed some exercise!

Let's scare up some fun at **Come to the Point!**

### Thursday Knitting Circles with Deborah McFarland Are Going Strong!

You may not recognize the name, but all **Dharma Trading Company** regulars will recognize the face and the voice of their missing friend! This lovely lady started a drop-in knitting circle earlier this Summer! A great time is had by all – come join the fun, any Thursday between 1:30-3:00. There is no drop-in charge, however, there is a \$5 consultation fee, should you need help. *Knitting finishing services available!*

## All Blank Cards on Closeout!

**Boxes: \$8**

**Individual Cards: \$1.75**

### You have GOT to check out The Color Scope Color Selector Tool!

I recently discovered this 5-1/2" kaleidoscope tool, and would be lost without it! Want to see how threads or fabrics will look in a project? Lay them closely together and twist the tool as you look through it. As it turns, different colors predominate. If one or more isn't right for the group, you'll know in a hurry! Keep one in your favorite project bag, the other in your purse. Makes a terrific gift. \$7.95

### Do you miss Medici? You must try Bellalusso!

Those of you who lament the demise of DMC's fine-gauge wool are going to LOVE the new thread from Fleur de Paris. The new line is called **Bellalusso**, and it lives up to its name. The hand is absolutely spectacular! It has a distinct advantage over Medici in that it's 100% *Merino* wool (think the "Ivory" of Silk & Ivory) instead of tapestry wool.

For those of you not familiar with merino wool, it's thinner than tapestry wool, which makes it glide through the canvas. Use as you would Medici, two ply for 18-mesh, three for 13-14-mesh. The line is so new, colors are still under development. I have all current 66 colors available in 45-yard skeins (\$3.25). Every luscious shade can also be special-ordered in 350-yard hanks (\$9.50).

### Colors of the Month for 2009

**Sept: Red    Oct: Black    Nov: Green    Dec: White**

### The 36 newest colors of Presencia floss have arrived!

And are they gorgeous! You must check these out! The colors run the gamut, from brown to gold to green to purple to rose to violet. The entire drawer would make a luscious patchwork. Each skein still only \$0.65. From now until Halloween, I'm offering the entire 36-skein set, valued at \$23.40, for \$18.

### Six-Ply Presencia 100% Metallic Floss Available in 12 Luscious Colors!

OK, let's be honest. As much as we *love* the results metallic threads give our stitching, having to purchase different weights of the same color for any given project takes a big chunk out of our budgets. *You're right, but what choice do we have?*

### Take a look at this!

Presencia's expanded line of metallic floss offers a terrific option!

- ◆ Each 8 meter two-ply strand equals competition's #4 Very Fine Braid
- ◆ Plies can be used in multiples
- ◆ Thread lays beautifully without tools
- ◆ Stunning stitch definition!
- ◆ Frogs easily
- ◆ No polyester in sight - 100% Metallic!

Would you rather pay \$3 and up for one 10 meter spool that has to be used as it comes, or \$4.50 for one 42 meter skein that gives you all kinds of flexibility? I thought so!

From now until you-know-when, I'm offering the entire 12-skein line for **\$45**. You pay for 10 and get two free. Ask about gift sets.

The thread is also great for punchneedle! It can be ordered in sets of 12 50-meter spools, or 1,000 meter cones of one color.

It's also available in one-ply spools and cones for you machine embroidery enthusiasts!

Come in and see the gorgeous results for yourself. Once you try it, you're sure to be hooked!
