Do you ogle all the luscious variegated threads in Caron Collection's line, wishing you could own them all?

The line currently contains 230 threads.

If you paid full retail price of \$3.25 a skein, your cost would run to \$747.50!

OUCH!

Now, you can!

Welcome to Watercolours Wishes!

A fabulous stash builder that's fabulous for your budget!

Your flat fee of **\$27/month** gives you ten skeins. You pay for nine at the rate of \$3/skein; the tenth is free! I pick the assortment. There's sure to be at least one color scheme you've never seen.

For the full line, that's only \$621!

Think of it – ten gorgeous skeins a month, at considerably less than retail price.

I do require that you commit to one entire year.

That's not all you get!

Each month's packet will include a different Stitch Chart. You have your choice of the Bargello Series, Crossed Stitches Series or Traditional Stitches.

Who knows? You might even receive the occasional treat in your package!

Your threads will arrive the first week of every month, starting in April.

If you live locally, you are welcome to pick up your package. I'll send you an email when they're ready.

If you've never stitched with Watercolours, you are in for a treat! Each ply of this gorgeous 100% Pima Cotton three-ply thread equals one strand of #5 perle cotton. The trick to getting the full effect of the skein's striation is to strip out one entire ply and use it completely, then start with another. Watercolours makes backgrounds a snap, especially when used with stitches such as the Diagonal Scotch, the Milanese, and the Nobuko.

Sounds fantastic! Sign me up!
